Conrado is correct in getting sign offs for those businesses.

I would also add Antigua bread and Las cansellus

Conrado can tell you exactly how many spaces each holds. I don't have the info on my map.

Are you good with space with just the two Lots?

Misty,

I don't know how many each hold. I DEFINITELY need lot 635 across from City building and behind bank. if I can have that whole lot and have half (60 spaces at 636 over by marion Way train station I should be good.)

I talked to Conrado and he needs me to get sign offs for H&R Block, Bakery, nail Salon, Highland Bowl, Rudy's barber Shop, Crave Coffee, Birdy's and the diner.

Please keep me input with your thoughts I am very new to this area shooting so however you recommend I appreciate.

OK so I'm trying to book all crew then in LOT 636 for 70 crew  
(realistically 60)

And the LOT 635 i definitely need for the motorhome and the base  
camp so 50 spaces there.

Thoughts?

Still waiting to hear back from Conrado.

Thanks!  
Elizabeth

Use lot 636, would be good to use. Do not use the free parking  
which is lot 695.

Do not use lot 639, which is behind the greyhound.

If you could pick either lot 695 or 635 to use, but Please leave one  
of those open. For businesses.

Let me let me know if You have any questions.

Can you give me a ring this morning please?

Many thanks, Elizabeth Reynolds
